Daniel James Ayers

1937 - 2014

Dedication

This year's town report is dedicated to Daniel James Ayers, who passed away on December 20, 2015 at the age of 77. Jim was born June 6, 1937 in Melrose, Ma. In 1950 his family moved to Fitzwilliam into the Old Duffy Plante Place on Royalston Road, where his grandfather lived. He was interested in woodworking and enjoyed working on mechanical projects. These interests turned into Jim's career path. He graduated from Keene High School and NH Vocational Technical School. Being an independent spirit, Jim opened his own machine and blacksmithing shop. He was constantly working and creating amazing handcrafted pieces. Jim rebuilt the old town hand-pump that can be found at the south end of the common. Jim was an avid reader, enjoyed walking, he loved to climb Mount Monadnock, and his love of nature spurred his interest in conservation. His patriotism was strong as he served in the US Navy and was a fixture at all Memorial Day Programs. For those who knew Jim, you all have your unique memories and stories of the man and his special time with us. Jim was an inspiration to all who knew him and a mentor to many. His presence, warmth, his hearty laugh and mischievous smile will be greatly missed, but never forgotten.

*** The increase in the 2012 tax rate is primarily due to 2012 Sales Update which resulted in the town's total assessment decreasing approximately 22%. If the amount to be raised by taxes stayed the same as the previous year, the tax rate would have increased by approximately the same amount (22%). However, the 2012 tax rate had an overall increase of 19.5% - a function of the decrease in the total amount to be raised by taxes.

2014 BOARD OF SELECTMEN REPORT

First, we would like to thank all of our town employees, committee members, volunteers and residents for their participation and commitment in making our town a great place to live and work.

We commend our department heads for the diligence they have shown in keeping their budgets under control and within their bottom lines. However, due to years of tightly monitored budgeting, we did see some areas go over their projected bottom line. There was enough flexibility in other lines to allow us to stay within our appropriation, and turn back \$117,230 to the general fund balance. The fund balance is very important to the Town and the Selectmen can use part of it to offset our town portion of the tax bill. This year we used \$75,000 to offset the town tax rate and finished the year with \$864,155 left in the general fund balance.

The Expendable Trust for our town buildings has continued to be a very successful tool. This year we were able to complete the following projects:

- Replaced the third furnace in the town hall
- Replaced the roof on the village fire station
- Began replacement of the doors at the fire station
- Replacement of light fixtures and bulbs in town buildings through Smart-start program

One of our major projects this year was the painting of the ceiling in the upper hall. This was completed in the fall, the ceiling was returned to its original color, blue. We hope you are as pleased as we are with the results.

This year we are updating our wage and salary study for all town positions. We were able to sign a contract in 2014 with MRI associates to conduct the study in 2015 saving the town \$1500.00. Our wage scale has not been updated since 1992.

It came to our attention in the past several years that Perry Road, Pleasant and Church Streets in the depot were laid out as 3-rod roads. Over time, property owners on these streets have parts of retaining walls and other structures too close to or in the town right of way, making it impossible to alter or repair these structures or to meet town setbacks. In order to bring these into line with the actual use, we consulted with our road agent and a surveyor and we are proposing to lay out these roads as 2-rod roads in such a way as to reflect the way they are being used. All property owners have agreed to the new layout, and we look for the voters' support in passage of this article.

Unfortunately legal expenses continued into 2014 regarding the KMO case against the town. The case did not go to trial; instead, a summary judgment was made, leaving the town preempted by state control with virtually no input allowed from the town residents or town boards. Other cases included issues with personnel, town property and land use.

December brought a new issue for the town to face: the proposed route for a high pressure natural gas pipeline going right through the town alongside the PSNH/Eversource transmission line right of way. This situation is complex and multi-faceted. We have drawn up a special article (article 8) that we ask your support for, the hope is that this will help to protect the town and its residents from the destructive effects of the pipeline and its construction.

Once the town's boat ramp project was completed in 2013, the town approached the state CORD (Council on Resources and Development) to initiate purchasing an undeveloped lot across East Lake Road, map 21, lot 35-1 that is owned by the State of NH. There have been few instances that the town has had the opportunity to purchase land near Laurel Lake and its proximity to

the boat ramp and town beach makes it desirable for recreation purposes. We hope the town voters will approve the purchase of this lot for all to enjoy.

Another initiative we hope to achieve in 2015 is a prime wetlands study that would delineate and protect sensitive water bodies and aquifers throughout the town, including drinking water. We are asking for your support in funding this article.

In 2014 under the supervision of our Emergency Management director, the town established an emergency shelter in the Meadowood Assembly Hall. A grant was secured that helped us get shelter kits that arrived in the spring. Shelter Management Training was held and several people, including members of the Visiting District Nurses and the Fitzwilliam Fire Department and others from Fitzwilliam and other towns were able to participate in this training with more training to follow in 2015.

2015 will bring a major change for the Board of Selectmen's office. After close to 20 years of loyal service to the town, first as administrative assistant and then as our town administrator, Paula Thompson will be retiring. We want to thank her for her dedication to the Town of Fitzwilliam for these many years.

2014 REPORT OF THE HIGHWAY DEPARTMENT

2014 was the start of road rebuilding around Laurel Lake. Westminster Drive and Abbey Lane were rebuilt, as well as a section of West Lake Road. The roadways were ground, gravel was added, drainage work done, brush was cut, and the road was paved. The Highway Department also paved a section of Royalston Road, removed rocks in Depot Area and fixed a section of Perry Road. Angier Road was also resurfaced, and Rockwood Pond Road was improved. Rockwood Pond Road was the first gravel road in The Highway Department's gravel road project plan to be rebuilt. Over 1000 cubic yards of crushed gravel was added to the roadway, rocks and ledge were removed, drainage work and brush removal were also done. The road was graded and compacted and hopefully this will help in the spring with mud problems.

The Highway Department plans to continue work on West Lake Road and East Lake Road. A section of Templeton Turnpike will be graveled and worked on. This will be a three year project as part of the gravel road project plan. I am also planning on working on Old Turnpike Road, this road as well as other small roads in Town are in need of repair and "eat" most of the cold patch we use during the year. Brush cutting and normal road maintenance throughout the town will continue to be done, as well as assisting other departments as needed.

Another project completed in 2014 was erecting a Cold Storage Building. To date the overhead doors have been installed and power has been hooked up. Filipi Contracting did a great job of putting the building up and I thank Steve, Elias, and Arnie for a job well done. This building allows the Highway Department to keep our trucks under cover and out of the weather.

In 2014 the Highway Department went back to three full time employees from the normal four. Dave Loock has left us to start a new career and a new family and I wish him well. I have been using some part time employees to fill the need. Maybe recycled is a better term for our help, former Police Chief Bruce Newton and reliable Richard Lawrence have helped fill the gap as needed and I thank them both. Again I want to thank Paula Thompson and Debbie Favreau for all of their help during the year. Paula retired this year and after 16 years of her helping me with the Highway Department I did not think I could function without her, so I married her and now she is forever part of the Town of Fitzwilliam.

Thank you,
Gene Cuomo, Road Agent

2014 REPORT OF FITZWILLIAM POLICE DEPARTMENT

The Fitzwilliam Police Department would like to thank the community for their unwavering support over the past year. Your support enabled the police department to obtain resources and training that help us evolve and adapt with the changing times. Your safety, security and satisfaction are our top priority.

After a lengthy process conducted by the Board of Selectmen and Municipal Resource Inc. (MRI), I was appointed Chief of Police. I would like to thank the members of the community that supported me through this process along with the Board of Selectmen that were present during this time, which consisted of Brian Doerpholz, Nancy Carney and Susan Silverman.

The Fitzwilliam Police Department are fortunate with the addition of Officer Gene Cuomo as our newest part-time police officer. Gene served with the Fitzwilliam Police Department in the late 70's before moving on to the Keene Police Department. Gene is well known and respected throughout the community and we are privileged to have him as part of our department. The position Gene has filled was recently vacated by Officer Jeffry Clark who has moved to full-time.

Officer Stone along with Marc Boyd, an AARP Representative held a Fraud/Scam Awareness presentation due to the rising scams across the country. This was a very informative presentation to educate the community with current scams and fraud that exist and how to better protect themselves.

On a public relations note, the Fitzwilliam Police Department held its first annual car show. Our intent was to create an event the entire community could enjoy. The car show exceeded our expectations and was a huge success due the coordinated efforts of the car show committee, sponsors, and many volunteers.

To help the community understand the services the Fitzwilliam Police Department provides statistics for our criminal case statistics, arrest, motor vehicle activity along with an overview of Calls for Service, (CFS's) are as follows

2014 REPORT OF THE TRANSFER STATION

The Transfer Station crew and I would like to congratulate the residents of Fitzwilliam for being such active recyclers. This year the town recycled 44 tons of paper, which saved 743 trees and 2 tons of plastic, which conserved 2,727 gallons of gasoline. We also recycled aluminum, steel, tin cans and other materials, which saved many natural resources. Used motor oil was recycled and heats the highway department garage. We are all aware of the impact caused by our dependencies on imported oil; every thing we can do to conserve and recycle will help us in the long run.

Keep up the good work! As always if anyone has any questions or concerns about the Transfer Station, feel free to call me at 585-2255.

Thank you for your cooperation,

Gene Cuomo
Road Agent

2014 REPORT OF THE LIBRARY DIRECTOR

The Library had a very successful year, reflected in an increase of 14% in circulation (materials checked out and taken home). This is a record increase in Library usage.

The Library also put on more programs than ever with a total of 188 programs and 1834 attendees. Some highlights were: Thunderstorms with Mark Breen, The Finest Hour with Michael Tougias, a Tour of the Common with Bob Corrette and The Epic of Gilgamesh with Sebastian Lockwood. Our Chess Club for kids was a huge success (16 participants in the Tournament), and for the first time we had Summer Reading Programs for pre-schoolers, kids, teens and adults.

The Library has initiated some new ongoing programs as well, including a monthly film series, a Lego Club and a Reading-to-Dogs program with Trish Toomey and her trained therapy dog. This is an excellent, proven help for kids who aren't crazy about reading.

2014 REPORT OF THE RECREATION DEPARTMENT

The Recreation Department had a busy and eventful year! The 2014 Basketball program had just under 60 participants from grades K-6th. Joe Higgins was the Coordinator who, with the help of parents, coached kids for one practice and one game per week. Mr. Higgins also held the position of Soccer Coordinator in the fall. With over 100 kids playing soccer, he and the coaches had their hands full! Emerson's 6th grade class ran the snack shack during soccer games to earn money for their spring field trip to Ferry Beach. Many thanks to all the volunteers who helped with these programs by coaching, acting as a referee, or keeping score!

Zumba and Yoga were both offered to community members. Sharon Laflamme has been instructing Kripalu Yoga for the Recreation Department for years. Multi-level classes were offered once per week in 4 or 6-week sessions for a minimum fee. Both the Town Hall and Emerson School were used to house classes. In the fall, Cathy Garland served as a Zumba instructor. In the spring, the Recreation Department joined forces with Que Viva Fitness in Jaffrey to offer Zumba with Grace Labbe twice a week at Emerson School. Open gym for Men's basketball was offered Monday evenings throughout the school year so pick-up games could be played. No classes were offered throughout the summer months.

Home, Healthcare, Hospice, and Community Service came to town and offered two 10-week sessions of Tai Chi for Better Balance. This exercise program, geared toward older adults, was offered once a week at Meadowood Assembly Hall and was received well.

Throughout the winter, locals could skate on the town ice rink. This winter was the second for ice skating at the Pole Barn on Rhododendron Road. To celebrate, the Recreation Department held a Winter Fun Day which included sledding on the old ski hill, skating, and a campfire with treats. This fun event took place February 22nd and was a great way for kids to kick off their February school vacations! The rink lasted until April and folks could borrow skates or use their own at their leisure. Snow shoes and cross country skis were also available for borrowing.

This spring, we held the Annual Fishing Derby on Sunday, June 1st with the help of the Highway Department, Police and Fire Departments. 48 children successfully fished Village Pond and then enjoyed a lunch cooked and provided by the Fitzwilliam Fire Department. Everyone left with full bellies, prizes, and even some fish to fry! A Trash Clean-Up Day was held April 26th. At this time, residents were encouraged to clean up the roadsides. Trash bags, gloves, and some refreshments were offered to help volunteers with their efforts. Also in the spring, Robyn Hannett offered a Fun with Hula Hoops afternoon to kids after school. They had a blast! The 24th Annual Charlie Wallace Memorial 5k and Kids' Fun Run was held on Saturday, June 21st. 54 runners participated in this year's 5K. The youngest was only 9 years old and the eldest was 69!! Food and prizes followed on the Historical Society Lawn.

The Summer Recreation Program was extended this year to offer kids camp for 6 weeks. Jeremy Rathbun returned as Summer Recreation Coordinator and led a very energetic and enthusiastic group of counselors. Some of the fun included trips to Surry Beach, Yankee Lanes, Canobie Lake Park, hikes up Mt. Monadnock and Gap Mtn, Roll On America, and bike rides too. The kids enjoyed crafts and games, and some water fun at the Pole Barn.

Let's Shoot Hoops, a basketball clinic for girls in grades 4-6th was offered both spring and fall this year. Tony Miller instructed both sessions that aimed to teach the girls fundamentals of basketball, gain confidence, and have fun. Over a dozen girls came each Friday for 5-weeks during a session.

RECREATION DEPARTMENT REPORT – Continued

Finally, the Recreation Department collaborated with The Friends of the Fitzwilliam Town Library to offer a Spooktacular Fall Fest on October 25th. There was fun for the whole family. Kids could press their own cider, make masks, craft, have their faces painted, and enjoyed a bunch of other fall fun activities. They helped decorate the Town Common with dancing ghosts. In all, the Recreation Department continues to work hard to provide free or low-cost programs for the community. The Recreation Commission meets every second Monday of the month. We encourage suggestions and feedback from residents. Office hours are Tuesday and Thursday from 1-4pm. Call 585-7270 or email fitzrec@wivalley.net.

2014 REPORT OF THE TOWN CLERK

2014 was a busy year in the Town Clerk's office. We processed 3,776 motor vehicle transactions (compared to 3,713 in 2013), licensed 746 dogs (compared to 709 in 2013) and hosted 3 elections (compared to 1 in 2013), all while condensing our public office hours to 4 days per week.

Revenue collected in the office increased again in 2014. Total revenue collected in the Clerk's office was \$376,229.70 (compared to \$369,453.74 in 2013), the majority of which was for motor vehicle registrations.

Online services continue to be used on a consistent basis. 326 transactions were conducted by E-reg. The option of E-Reg allows you to renew your motor vehicle registration or dog license 24 hours a day, seven days a week. No need to worry about when the office is open or closed.

The Town Election and Meeting was held in March. 386 ballots were cast during the election, which figures to a 24% voter turnout. Town meeting was opened at 7:19pm and adjourned by 7:58pm. Twelve articles were discussed and voted on during that time.

In September we hosted the State Primary Election. 279 ballots were cast, which figures to a 17% voter turnout. The State General Election was held in November. 879 ballots were cast, which figures to a 53% voter turnout. At the close of the State General Election the Town had 1655 registered voters; 524 Republicans, 477 Democrats, and 654 undeclared.

As I complete the first year of my third term in office, I am grateful to the voters for allowing me to continue to serve them as their Town Clerk. When I applied to the "part-time, temporary job" in 2005 I could never have imagined I would be here serving the Town 10 years later. Denise and I continue to work hard so that your experience in our office will be as pleasant as possible. We continue to search for ways to be more efficient and offer as many services as possible, creating a "one stop shop" for our customers. We continue to welcome any and all suggestions, challenges and questions and strive to meet the needs of our residents all while being true to the oath that we took.

Respectfully submitted,
Heidi L. Wood, Town Clerk

2014 REPORT OF THE PLANNING BOARD

The first duty of the Planning Board is to prepare and amend a master plan to guide the development of the municipality. Planning Board regulatory duties include the review and approval of all subdivisions, boundary line adjustments, voluntary mergers and site plan review applications for commercial uses or multi-family residences. The Planning Board may recommend to the local legislative body amendments of the zoning ordinance. (RSA 674:1)

On March 11, 2014 voters approved Article 2, which proposed Mining-minor as an allowed use with a conditional use permit in the Rural, General Business and Industrial Districts; and Mining-major with a conditional use permit in the General Business and Industrial Districts. In light of a March 17, 2014 Court Summary Judgment regarding the KMO quarry operation, the Town has not implemented the 2014 Mining Ordinance passed by the Town.

In July 2014, the Planning Board Chairman met with the Department of Resources and Economic Development (DRED) in a pre-application meeting per RSA 12-E for the Victoria White quarry. DRED found that the proposed operation was exempt from mining permit requirements set forth in RSA 12-E., thus pre-empting the Planning Board from conducting site plan review.

During 2014, after conducting 23 preliminary consultations regarding proposed new businesses in Town, and 7 public hearings, the Board: Approved two boundary line adjustments; Approved two business site plan reviews; Held one public hearing on proposed amendments to the zoning ordinance; Held public hearings on a PSNH proposal to extend their right of way corridor to accommodate new power lines. Hearings continue in 2015.

2014 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals for relief from zoning ordinance requirements. The Board considers the unique circumstances of each case and decides to grant relief, if warranted, based on specific criteria. They consider the impact of the proposed action on the neighborhood and the land, and whether it is in harmony with the purpose and intent of the zoning ordinance. The Board can't change zoning ordinances but is empowered to grant appeals in accordance with State Statute and local law as specified in the Land Use Code.

The Board considers appeals for Variances, Special Exceptions and Equitable Waivers of Dimensional Requirements, Appeals of Administrative Decisions and Motions for re-hearings.

During 2014 the Board of Adjustment deliberated on six cases:

1. Granted a Variance to construct a screened front porch within the front yard setback on property located in the Residential District.
2. Granted a Special Exception to erect a second business sign on property located in the Village Center Business and Historic Districts.
3. Granted a Variance to construct a porch within the side setback on property located in the Village Center Business and Historic Districts.
4. Granted a Variance to construct an addition to a kitchen within the front yard setback on property located in the Rural District.
5. Granted a Special Exception to install three new awning business signs, replacing existing signage, on property located in the General Industrial District.
6. Granted a Special Exception to install three new business signs, replacing existing signage, on property located in the Rural District.

The Zoning Board of Adjustment meets the second Tuesday of the month, when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

2014 REPORT OF THE HISTORIC DISTRICT COMMISSION

The mission of the Historic District Commission is to preserve structures and places of historic and architectural value; preserve a district in the municipality that reflects elements of its cultural, social, economic, political and architectural history; conserve property values; foster civic beauty; and maintain the existing architecture of the district. The Commission reviews all exterior construction located within the Historic District of Fitzwilliam through an application process and public meetings. They are also responsible for amendments to and adoption of regulations in accordance with State statutes.

In 2014, the Historic District Commissioners met six times and used the design guidelines to review seven applications including: three new business signs, exterior modifications and repairs for two businesses, replacement of two roofs, municipal building ceiling repair and paint, and installation of a custom built shed.

Applications for all exterior changes within the Historic District must come before the Commission for consideration and approval. The Commission meets on the second Thursday of each month at 4:00 PM in the Town Hall when there is a case before it. 2014 REPORT OF THE CONSERVATION COMMISSION

The Fitzwilliam Conservation Commission continues its mission to protect the natural resources of the town. We started 2014 with a New Year's Day walk on the Widow Gage Town Forest (WGTF) trail. In February we led another walk as part of Winter Carnival with the Recreation Department. We again partnered with the Rec Dept. on April 26th to host a successful Trails Day, providing doughnuts and coffee to volunteers, who cut branches, cleared brush, dug drainage ditches, and attended to other trail maintenance work. We thank these volunteers. We are especially grateful to volunteer Frank Bequaert for designing bridge replacements, improving signage, monitoring trail activity and attending to numerous improvements to this trail system throughout the year.

The Commission sponsored a bird walk on June 5th led by bird expert and author, Eric Masterson. A dozen participants in rain gear walked the quiet WGTF as Masterson identified numerous birdcalls. Despite pouring rain, the group was treated to a close-up view of a Scarlet Tanager and was able to watch a pair of bluebirds nesting in a hollow tree in the wetlands. We continue to maintain, monitor, and promote usage of this lovely asset to our town, keeping the kiosk stocked with trail maps and providing a box where visitors may sign a guest book and add comments. We provided a list of suggested hikes to local inns and Bed & Breakfast establishments. We purchased tools for trail work, and have been busy with efforts to update our maps and expand our web presence. We have officially added the parking area to the existing easement on the WGTF. Assisted by the local beaver population, our members have constructed and installed benches made from fallen trees. We have walked and flagged the town forests with the Monadnock Conservancy, and continue to work toward attaining an easement on a portion of the Katie Metzger Town Forest to ensure long-term protection and management of this important natural area.

Our Open Space sub-committee has been contacting property owners and advising them on ways to conserve special properties. We maintain representation on the Monadnock Advisory Committee which oversees protection of Mount Monadnock and have followed the progress of the Lake Host program by the Laurel Lake Association to protect the lake from invasive species. We maintain membership with the NH Association of Conservation Commissions, which our chairman recently joined.

Over the year, members have variously participated in five site walks. The Commission has advised local and state officials regarding various wetlands projects including a Shoreland Impact Permit for Laurel Lake and the Horseshoe (Boyce) Pond dam removal, which is now complete. We advised on a dock replacement at Laurel Lake and are closely watching several environmentally sensitive issues affecting our town, including a proposal to extend the PSNH transmission line to Troy; a natural gas pipeline through Fitzwilliam proposed by Kinder Morgan, and two granite quarry/mining operations. We continue to meet regularly with selectmen to discuss projects and recently welcomed Mandy Exel as a temporary member to our Commission.

The Conservation Commission continues to operate on a limited budget and welcomes your support. Our meetings are held in the lower meeting room of the Town Hall every third Monday of the month at 7 p.m. Please join us if you have any questions, suggestions or concerns about how we all can conserve Fitzwilliam's natural beauty and resources. If you are interested in future volunteer work or would like to be notified of upcoming events, send an email with your name and email address to fitzconservation@gmail.com.

2014 REPORT OF THE CODE ENFORCEMENT OFFICE

The Code Enforcement office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction, and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers; and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met. Once a permit has been granted, the Code Enforcement Officer visits the property prior to the start of construction to determine that all setback requirements have been adhered to.

If you should have any questions with regard to permitting for construction please contact the Board of Selectmen's Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. We have been seeing an increase of construction being completed in town without first obtaining a building permit approval. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2014, 53 construction permits were issued, with only two issued for new single-family dwellings. If you should have any questions with regard to building issues, please feel free to contact the Selectmen's Office at 585-7723.

2014 REPORT OF ANIMAL CONTROL OFFICER

The Fitzwilliam Police Department continued to provide their service in the handling of animal control issues until October, when Warren Hall was appointed ACO. Warren has previously held the position of ACO and is a great addition to the police department.

The police department and ACO responded to 154 complaints ranging from domestic to wild animal. Please remember to license your dogs by April 30th and have your pet(s) properly vaccinated. This is for their health as well as the safety of others.

2014 REPORT OF THE ECONOMIC COMMITTEE

The Fitzwilliam Economic Committee continued to get traction in 2014. We printed and distributed the second edition of the Fitzwilliam Business Brochure. This is available at businesses throughout town and was distributed to visitors at the Fitzwilliam Antique Show in July. In addition to business listing, it also lists local attractions and has a small map of the town. The brochures are also available in electronic version on the town website www.Fitzwilliam-nh.gov under "News and Announcements". The brochure will be updated late winter 2015 to be distributed in May to attendees of the NH Governor's Conference in Keene. Please contact us at Suzanne.gray@comcast.net if you want to be included in the next edition. There is no fee, the funds for design and printing are provided by the Board of Selectmen.

In July members of our committee joined the Fitzwilliam Police Dept. and other volunteers to help make the First Annual Fitzwilliam Car Show a success.

We updated the town business listing which was included in the December Fitzwilliam Newsletter. We recognize there are modifications needed to make the list more user friendly. We will be revising, updating and redistributing in 2015. Skip Hagstrom volunteered many hours to get this list current. If you want to be included in the next version please contact us at suzanne.gray@comcast.net

We are currently working on a Fitzwilliam Town Notice Board to be placed to the left of the Town Hall which would contain events and info for townspeople and visitors. We hope to have that completed over the next two months. We thank Steve Swallow who has spearheaded this project.

Recently, members of the Economic Committee have focused on the proposed Kinder Morgan Pipeline project and how that would affect the town of Fitzwilliam economically. Please join us to share your opinions.

We are pleased that Bradley Miller has joined our committee, Brad was promptly elected (and accepted) the Vice Chair role. We have had many members of the public attending our meetings and we welcome your input and suggestions. The more input, the better. We are looking for two members to join our committee. We meet at the Town Hall in the lower meeting room on the first Wednesday of the month at 7 PM. Everyone is welcome.

Respectfully submitted,

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2015 we request a total appropriation of \$2,040.00 to continue home care services and \$1,204.00 for the Meals-On-Wheels program.

For information about services, residents may call (603) 352-2253 or 1-800-541-4145, or visit www.HCSservices.org.

Thank you for your support of home care services.

2014 SOUTHWESTERN COMMUNITY SERVICES

\$257,672.00 - Direct Assistance to Fitzwilliam Residents

477 - Total Units of Service Provided in Fitzwilliam

\$540.19 – Average Benefit per Unit of Service

First and foremost, Southwestern Community Services would like to thank the citizens of Fitzwilliam for your support. With the Town of Fitzwilliam's support, southwestern Community Services provides assistance to residents through transitional housing and emergency shelter programs, workforce and senior rental housing, education and child-care, nutrition and health, energy conservation, utility programs, day and employment services for developmentally disabled individuals, and workforce development for clients and dislocated workers.

Last year SCS updated out-of-town funding requests in the interest of fairness. SCS now requests 1% of the amount of direct support that SCS invested into that community in the previous program year. This means that from year to year the amount of the town funding requests will change. For example, if next year Fitzwilliam sees a decrease in the amount of direct support that SCS provides, Fitzwilliam will also see a decrease in the amount of funding that SCS requests from the town.

We look forward to future cooperation between SCS and Fitzwilliam. We always welcome visitors and encourage you to stop by our offices in Keene or Claremont for a tour and to further discuss the services we are able to offer.

Moderator Prigge reviewed the procedure of Town meeting and pointed out the sections that will be referred to in the town report.

ARTICLE 3. To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

Selectman Silverman moved the passage of the article as written; motion 2nd. Selectman Silverman explained that Selectmen Doerpholz was ill and unable to attend tonight's meeting. Silverman stated that the Board of Selectman wanted to thank all those serving on committees and boards, volunteers and employees for their hard work and dedication to our town. Susan Massin was recognized for her 31 years as librarian and Sandra Gillis for her 10 years as Land Use Assistant. Silverman asked anyone interested in serving, especially on the Memorial Day Committee, to contact the Board of Selectmen. Passed in the affirmative.

ARTICLE 4. To see if the town will vote to raise and appropriate the Budget Committee recommended sum of \$1,891,921 for general municipal operations, or take any action thereon. The Selectmen recommend \$1,899,307. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

Budget Committee Chairman Carl Hagstrom moved the passage of the article as written; motion 2nd. Budget Committee member Martin Nolan commented on the police department budget. He explained that the budget committee discussed this budget at length. Nolan stated that he personally believes this budget is much higher than necessary and feels the amount is unwarranted. There was no further discussion on the article. Passed in the affirmative.

ARTICLE 5. To see if the town will vote to raise and appropriate the sum of \$286,000 to be added to the Roads Repair and Maintenance Expendable Trust Fund created by ARTICLE #8 of the 2011 Town Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Road Agent Gene Cuomo moved the passage of the article as written; motion 2nd.

There was no discussion on this article.

Passed in the affirmative.

ARTICLE 6. To see if the town will vote to raise and appropriate the sum of \$5,000 to be added to the Highway Department Vehicles and Equipment Repair Expendable Trust Fund created by ARTICLE #25 of the 2012 Annual Town Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Road Agent Gene Cuomo moved the passage of the article as written; motion 2nd.

There was no discussion on this article.

Passed in the affirmative.

ARTICLE 7. To see if the town will vote to raise and appropriate the sum of \$35,128 to purchase and set up a new computer server, 4 PC workstations, 3 laptop computers and IMC Police Records Management software for the Police Department, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman Silverman moved the passage of the article as written; motion 2nd.

Hiel Lidquist asked if support for the software and ongoing costs were included in this amount. Chief DiSalvo indicated that they were.

There was no further discussion on this article.

Passed in the affirmative.

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of \$10,750 to paint the ceiling and stairwell ceilings in the Town Hall Upper Hall, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman Nancy Carney moved the passage of the article as written; motion 2nd. Many in the audience looked up. Jennifer Hogan asked if it would be restored painting or just painted over. Selectman Carney explained the area that would be painted and stated that the border would remain. Marcia Camden asked if it was lead paint. Carney stated that it was not, that the ceiling had been previously painted but it was not adhering well.

Passed in the affirmative.

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of \$32,500 to be added to the Town Buildings Maintenance and Repair Expendable Trust Fund created by ARTICLE #24 of the 2005 Annual Town Meeting, or take any action thereon. (The selectmen proposed the following projects for 2014:replace the third furnace in the town hall, replace light fixtures in the highway barn, fire station and transfer station, repair the roofs of the village fire station and public safety building, refinish the floors on the left side of Town Hall) (Recommended by Budget Committee, \$35,000 Recommended by Board of Selectmen)

Selectman Silverman moved the passage of the article as written; motion 2nd.

David Kenney asked what the discrepancy between what the Budget Committee recommends and what the Board of Selectmen recommends. Budget Committee chairman Carl Hagstrom explained that the budget committee reduced the recommended amount because some projects could be done cheaper. Selectman Silverman explained that the Town is looking at working with PSNH with an efficiency grant to replace lights and the 3rd furnace.

Selectman Silverman reviewed the expenditures in 2013 and the anticipated projects for 2014. Marcia Camden asked if the replacement lights will be LED. Selectman Carney stated they plan to work with PSNH and wait until they recommend best replacement bulbs. Carol Beckwith asked if the energy audit that was completed a few years ago was referenced. Beckwith stated that one priority listed in the audit was insulation, yet no mention of insulating has been made. Selectman Silverman stated that they always refer to a list of projects and try to pace them throughout the year, and insulating is on the list, but emergencies do come up and that shifts the priorities. There was no further discussion on this article. Passed in the **affirmative**.

ARTICLE 10. To see if the town will vote to convey Tax Map 18 Lot 12 to Public Service Co of NH for the sum of \$75,000, and allow the Selectmen to negotiate the terms of the sale in the best interest of the town, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman Nancy Carney moved the passage of the article as written; motion 2nd. Jennifer Hogan asked the location of this property. Selectman Carney stated that there was a handout available, but explained that it is located on Rte. 12 N towards Troy. Kate Thomas asked what PSNH could do with the land. Carney explained that they already have an easement on the property and would go through normal building process established in Town if they plan to build. It was asked if property sold would it go back on the tax rolls. Carney answered yes. Connie Porter questioned if the property was behind the VFW. It was explained that the property is further north and there were already power lines there. PSNH just needs certain footage on either side of lines and instead of getting another easement PSNH offered to purchase the land. Porter asked if more trees would be cut down. Carney said she did not know and that was beyond the scope of this article. There was no further discussion on this article. Passed in the **affirmative**.

ARTICLE 11. To see if the town will vote to enter into a three (3) year lease/purchase agreement not to exceed Fifty-Six Thousand Dollars (\$56,000) to purchase and equip a new 1 ton 4 X 4 truck with a dump body, plow and sander for the Highway Department, and to raise and appropriate the sum of \$19,600 for the first year's payment for that purpose; and to sell the 2005 F-150 pickup truck and use the proceeds of that sale to reduce the amount of the first year lease payment, or take any action thereon. This lease agreement contains an escape clause. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Road Agent Gene Cuomo moved passage of the article as written; motion 2nd. Robert Newcomb asked if the plow was able to be angled. Cuomo stated yes. Newcomb responded with "so it could be angled away from people's driveways" which caused laughter from the attendees. Kathy Stark stated that she had heard that the existing truck was planned to be passed onto the Cemetery department. Cuomo stated that this had been discussed, however not all the Commissioners were in favor of accepting ("buying") the vehicle.

There was no further discussion on this article.

Passed in the **affirmative**.

ARTICLE 12. To see if the town will vote to raise and appropriate the sum of \$7,000 to be added to the Capital Reserve Fund created by ARTICLE # XVIII of the 1986 Annual Meeting for the purchase of Highway Department equipment, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Road Agent Gene Cuomo moved passage of the article as written; motion 2nd. Alan Rickheit asked if town meeting would be necessary to expend the funds. It was explained that the Board of Selectmen are agents to expend and Cuomo would need their approval to expend. Cuomo explained this money would be used to build up the fund because it is nearly empty (\$2662.69 remaining) and the money is used to replace equipment in the future or for emergency replacement of equipment.

There was no further discussion on this article.

*Passed in the **affirmative**.*

ARTICLE 13. To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Capital Reserve Fund created by ARTICLE # 11 of the 1969 Annual Meeting for the purchase of a fire department vehicle, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Warren Hall moved the passage of the article as written; motion 2nd.

There was no discussion on this article.

*Passed in the **affirmative**.*

ARTICLE 14. To see if the town will vote to change the title of the Cemetery Commissioners to "Cemetery Trustees" , in accordance with RSA 289:6 and RSA 289:7, or take any action thereon.

Michael Grab moved passage of the article as written; motion 2nd. Eric Durmer asked what this difference was. Grab explained it was basically "housekeeping" and that the RSAs refer to "Trustees" and the Commissioners felt it would be best to use the same terminology as the State. Same job, same function just different title.

There was no further discussion on this article.

*Passed in the **affirmative**.*

Moderator Prigge announced the results of Article 1 and Article 2. Meeting adjourned at 7:58pm.

Respectfully submitted,

Heidi L. Wood
Fitzwilliam Town Clerk

RESTORATION OF INVOLUNTARILY MERGED LOTS

RSA 674-39-aa

NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

Whereas, because of the adverse impacts construction, operation and maintenance of the Project will have on the Town of Fitzwilliam, its historic, rural character and aesthetics; the threat the project poses to Town surface waters, groundwater aquifers, wetlands, lakes, ponds, rivers and streams; the threat of contamination of Town water supplies and the water wells of Town citizens; the threat to Town recreational and conservation areas; the threat of the taking Town and private property by eminent domain; and the threat to the economic well-being and tax base of the Town and to the property values of property owners; the threat to the health and safety of the Town residents and property posed by a large capacity high pressure gas pipeline carrying flammable liquid natural gas in close proximity to high voltage power transmission lines; and,

Whereas, the Project violates the carefully crafted letter and spirit of the 2012 Fitzwilliam New Hampshire Master Plan which bears the theme: "Growth is inevitable and desirable, but the destruction of community character is not. The question is not whether your part of the world is going to change. The question is how"; and,

Whereas, the Project violates the carefully crafted provisions of the Town of Fitzwilliam Planning and Zoning Ordinances; and,

Whereas, the Project, because the preemptive effect of Chapter RSA 162-H, Energy Facility Evaluation, Siting, Construction and Operation, violates the inherent right of the people of the Town of Fitzwilliam to govern their own community, including, without limitation, the rights guaranteed by Article 1 of the New Hampshire Constitution-Bill of Rights that all government of right originates from the people, is founded in consent, and is instituted for the general good; and

Whereas, the people of the Town of Fitzwilliam find that the construction of the Project violates the rights of the people of the Town of Fitzwilliam, their environment and neighborhoods by threatening their health, safety and welfare; and,

Whereas, by the adoption of this Warrant, the voters of the Town of Fitzwilliam direct the Board of Selectmen to challenge the Project in such judicial, legislative and administrative bodies, both federal and state, as have jurisdiction over the project because:

1. Construction, operation and maintenance of the Project will include drilling, blasting, rock crushing and excavation using heavy equipment and trucks, causing the contamination of surface and ground water from blasting emulsions and compounds; air contamination from dust and debris; and air contamination from diesel exhaust from crushers, heavy equipment and trucks; and,
2. Construction, operation and maintenance of the Project threatens injury and damage to the health and safety of Town residents and their property because of the proximity of a large high pressure gas pipeline carrying flammable natural gas to high voltage power transmission lines; and,
3. Operation and maintenance of the Project threatens injury and damage to wildlife and indigenous plants and trees because of the use of herbicides and poisons in the pipeline right of way both from air born transmission and from leaching into surface and ground waters; and,
4. Construction, operation and maintenance of the Project threatens injury and damage to the irreplaceable historical and rural character of the Town and aesthetics of the Town, in violation of the letter and spirit of the 2012 Fitzwilliam Master Plan, and Town Planning and Zoning Ordinances; and,
5. Construction, operation and maintenance of the Project threatens adverse impacts on Town lakes, rivers, streams, brooks, estuaries, wetlands, surface and ground waters; and,
6. Construction, operation and maintenance of the Project threatens adverse impacts to Town forest lands, recreational and conservation areas; and,
7. Construction, operation and maintenance of the Project will require the involuntary taking of Town property by the pipeline company, including precious conservation and recreation property, by eminent domain in violation of Article 12- a of the New Hampshire Constitution the provision that property cannot be taken for private use; and,

8. Construction, operation and maintenance of the Project will require the involuntary taking of private property by the pipeline company by eminent domain in violation of Article 12-a of the New Hampshire Constitution the provision that property cannot be taken for private use; and,

9. Construction, operation and maintenance of the Project threatens the economic well-being and aggregate tax base of the Town.

Therefore, be it resolved that the Town of Fitzwilliam, acting through its Board of Selectmen, shall undertake such action as necessary to protect the Town of Fitzwilliam from the threat to the Town of Fitzwilliam's right to govern the conduct of projects within its borders and to protect the Town and its residents from the adverse impacts of the Project in such judicial, legislative and administrative bodies, both federal and state, as have jurisdiction in the matter, or take any action thereon.
